## BIRCH HILLS WELL KEPT SECRET....

Four well-kept secrets of the Birch Hills Museum will be revealed this year as we focus on "Heritage". Special emphasis will be on bringing folks to see and enjoy our own specialties which include: 3 designated Heritage Sights close by, our collection of over 350 local historical books in the lending library, a complete set of school year books, and the active on-going Memorial Wall of Local Community Builders and Special Achievers. The theme - "Pay Us A Visit And Help Us Preserve Our Heritage".

This past year we once again were involved in many diverse programs, the main ones being: Heritage Day, where we invite students from kindergarten to grade 5 from the local school and also from other schools in the area. This day consists of displaying and operating vintage equipment such as: sewing with a treadle sewing machine, rope making, petting zoo, horse drawn wagon rides, guided museum tours, silent movies, etc. A lunch also provided.

Threshing Day starts with a parade, displaying and operating vintage machines, threshing, live musical entertainment, museum tours, food booths, silent auction, dunk tank, and other activities for young and old. The 2013 Threshing Day will be on Sunday, August 11.

In our extensive library we have history books from most places in the province, these are utilized by individuals and various groups looking for family histories and other historical information. Our museum is open every Wednesday, year round, and the coffee pot is always on. Individual or group tours are available on request.

The well-stocked Thrift Store is open from 9 am to 4 pm on Wednesdays as well. With spring cleaning in mind we encourage you to donate any good used clothing, footwear, books, house wares, bedding, etc. We regret that we are unable to take furniture electronics or appliances. Look to the 'Birch Hills Bargain Basement' Facebook page for these items.

## Volunteer Needed for July 15-19<sup>th</sup>, 2013!!!

## 2nd Annual Brrr Chills Winter Festival Review

The 2013 festival has come and gone and what made this festival so successful?...You! Ok, Mother Nature definitely helped out but without your participation and help with planning, it would never have happened. Some events we carried over from last year, and some new ones were introduced. Some were continued favorites, some we learned new ways to improve and some events... well...we tried!

We started this festival again with the Light Parade, followed by sliding and bonfire at Max Creek. This year non sliding enthusiasts were welcomed at the Flute and Fiddle for an open jam session. Thank you to Dorothy Hunter for letting us use her land for sliding and to the Fire Dept for supervising, to Duane Mohn for organizing parade, to Kevin & Marilyn Evans for supplying hot chocolate and George McIntyre for supplying the tower lights. Thumbs up to Todd Devenis, RM of BH for making sure the roads and parking lot were clear of snow and to those who dropped off their Christmas trees (collection spot plowed by Barry Evans), and to the town men clearing our town, continuously of snow for the festival week. A special thank you to the snowmobilers for 'busing' the kids up the hill, it would have been a tough climb.

Saturday the Sno-Posse had a great day for their snowmobile poker rally with over 300 people participating. That evening DJ entertainment and a teen dance were held but alas, maybe the snowmobiling (& minor hockey) played everyone out as these events were not well attended. Thank you to the KG Hotel and the Flute and Fiddle for your efforts.

On day 3, was the Country Gospel Show, featuring a talented lineup of local singers. Donations were collected at the door and the TLC Daycare was presented with \$480...well done! Meanwhile, at the Ball Diamonds, teams of young and old battled heaps of snow and enjoyed a sun filled day with good friends, laughter and delicious bonfire roasted hotdogs...a definite treat in the middle of winter! A special mention to Ian and Carol Pryzynek for showing us that we are never too senior for fun in the snow! In the evening a table filled with baked potatoes, yummy fixings and salads were served at the museum for their 'Famous Potato Supper'. Proceeds will be used at for museum expenses. Thank you to Inez Shilling, Shirley Ulvild, Beth Rude, Millie Rowluck and the rest of the BH Historical Society for hosting the country gospel and potato supper. Thank you to Todd Devenis & Kyle Jensen, Bruce Tilford, Leon Pratchler, Crystal Adams and Mackenzie Devenis and Karen Lemon for their variety of assistance during this event.

Monday evening Lyle Mohn, on behalf of the Birch Hills Royal Canadian Legion hosted the #1 rated event from last years festival...the '*Birch Hills Got Talent*' show. Singers, dancers, musicians, karate folks, young and old performed a great show for us. '*Constant Reminder*', a group of brothers from James Smith Reserve were once again a crowd pleaser. The TLC Daycare prepared a table FULL of delectable & mouth watering desserts. What a sweet gesture it was for the Legion to donate the door donations to the daycare....*True community spirit this night!* And just so you know, this was also voted top 3 of the favorite events this year too. Which tells me that Birch Hills has some great talent and you won't want to miss next years performances. Thank you Lyle for organizing all the talent & emcee-ing ...and at short notice!

Tuesday, our local T.O.P.S. (taking pounds off sensibly) group hosted a special speaker presentation on "Food for Thought". In the evening families were invited to the curling rink, but for some reason this event was not well attended. Curling is a sport that the whole family can enjoy together and needs no extra equipment (supplied at rink) or special clothing. So, if anyone has ideas for next year how to make a curling event more alluring, please let us know.

Day 6, the Senior Hall group hosted a homemade soup and sandwich luncheon, followed by games in the afternoon. Thanks to those that helped prepare a great lunch. That evening, RYSC Youth hosted a Street Hockey Game downtown under the street lights and/or folks were encouraged to meet together for a Family Game Night.

Thursday was a winter festival treat for those that attended the "Wish I was in Hawaii" Valentines Luau, a golf clubhouse fundraiser. The civic centre was transformed to a Hawaiian tropical paradise and an amazing meal featuring winter roasted pig was enjoyed. Congratulations to Shawn Budnick for winning the \$2500 travel voucher. It took many volunteers to make this evening a success, a big thank you all. A special thanks to the main coordinators Amy Dow, Crystal Adams, Ethel & Doug Rutherford, Iris Fjeld, Karen Lemon and Marjorie Spiker. I will also mention that the committee was aware the cost of this evening was perceived as high, however please keep in mind that this was a fundraiser, with some great prizes to be won and anyone that attended this event would have to admit this was not an ordinary meal at the civic centre.

Friday was a School Carnival and at Birchview Home, Mayor Ulvild crowned the Winter Festival King, Queen, Prince and Princess. After residents and visitors enjoyed an afternoon of activity. In the evening our Senior Blackhawks played a good game of hockey. Last day of the festival started off with a homemade pancake breakfast hosted by the Library Board. Followed by cross country skiing at the golf course and at the rink, kids of all ages could skate with *Brrrt the Mascot*. Thanks to the school for borrowing us sets of skis for people that wanted to try and to Nicole Hunter for your help at the rink. What a better way to end off the festival but with the Snow Stomp Family Dance! Not an unhappy child was found during nor an unhappy parent after, as I am sure they had no trouble putting their little ones to bed.

Thank you to those that donated prizes, to all who helped, participated and made this years festival a success. I am told 'we just have to do it again'. So rest up, think up more ideas and watch for next years, to be favoured event, "Human Dog Sled Racing", a sure to prove entertaining!

Laurie Berube, Rec Director
