BIRCH HILLS UNITED CHURCH NEWS

Amazing experience on Saturday, April 29. We were due to hold the usual monthly "men's breakfast", but were asked to open it to anyone who wanted to come (expecting mostly spouses.) 42 people showed up! Ralph Galambus had offered to bring a third waffle iron and help with the cooking, and we surely needed the help. Thanks to all who helped with setup – and especially with dishes and cleanup.

These 42 people put \$358 into the bucket. *That means these breakfasts have now contributed \$1,100 to the Breakfast for Learning program at Birch Hills school.!!!*

BREAKFAST FOR LEARNING PROGRAM WIND UP

As our school year rolls into June, I would like to take this time to thank all those who again, so generously contributed to our BFL program.

We have had financial contributions, gifts of food, and time donated to keep our program operating. Mrs. Stanford and her Commercial cooking students have worked hard organizing and preparing the breakfasts, the student volunteers have been present to serve the food and teachers have volunteered their time to supervise all the students enjoying the breakfasts on Tuesday, Wednesday, Thursday and Friday mornings, and to clean up the foyer area after. Recently our grade 5 students showed an interest in volunteering to help serve and we were able to work them into the schedule. We are so fortunate to be able to

continue this program and have such willing volunteers who continue to make this successful. On behalf of the BFL team,
Thank-you to all who contributed again this year

Ms. B. Hunter
