Issue 173

Why is the music teacher so good at baseball?  Because he has perfect pitch.	Why was the math book sad?  Because it had so many problems.
Why did the clock go to the principal's office?  Because he was "ticking" too much.	Why was 6 afraid of 7?  Because 7, 8, 9.
What is a pirate's favorite subject?  Arrrrrr!	Where do pencils go on vacation?  Pencil-vanilla.
What animal cheats in school?  The cheetah.	How do you make a tissue dance?  You put a little boogie into it.

September issues of this Birch Hills activity newsletter was sponsored by:

Birch Hills Community Preschool Registration Night

Mrs. Peterson has been teaching preschool in Birch Hills for the last 16 years. She continues to enjoy each new year making memories with the kids.

She gets the 3 & 4 year old's ready for kindergarten by doing puzzles, crafts, reading stories, singing and playing games each day. Each family gets to take a turn bringing snack for the class and being the helper.

Also being right in the school next to the kindergarten classroom coming in the same doors, hearing the same bells and playing on the same playground makes going into kindergarten not such a drastic change, it really gets the children prepared for their first year of school.

22nd Annual Threshing Day Report

The Birch Hills Historical Society held their 22nd Annual Threshing Day on Sunday, August 12, 2018 and in spite of less than ideal weather the day turned out to be a huge success.

The Town council served a delicious pancake breakfast followed by the Birch Hills Ministerial church service.

Rain started to fall as the Optimist parade got underway. The hardy folk lined the route with the promise of candy keeping the little ones on hand. Thanks to Stuart Matice for again organizing the parade on behalf of the Dreamland Optimists who also served the BBQ on the museum grounds.

The children's activities were cancelled because of the rain but the little ones were entertained by Joanne's pets and visiting the museum. Thanks again Joanne.

The Museum Auxiliary provided a meal, pie and coffee which were very well attended with many people visiting the museum for the first time.

The silent auction is always a crowd pleaser and this year was no exception. Many went away pleased with their "good buys". A big thank you to all the people who donated to the auction.

Ralph Galambos provided this year's entertainment – wonderful Home Town talent.

The Seniors' Club drew for their raffle with Ray Halcro getting first prize – child's picnic bench and rocking chair that were made and donated by Gordon Braaten. Ray generously donated these to the Birch Hills Day Care. Second prize – a patchwork quilt, was won by Krista Warow. Third prize, a wheelbarrow planter made and donated by Gordon Braaten, was won by Myrdena Reynish.

The rain let up and the threshing was held. Greg Smith displayed his small engines and gave the fellows a hand with the threshing.

Winners of the 50/50 draw were Gord Hood \$104.00, Joan Budnick \$62.00, and John Herd \$41.00.

A new feature of Threshing Day 2018 was the Lake Park Soap Box Derby. Congratulations to the Lake Park Church on their 100th Anniversary. The race was certainly enjoyed by all and we look forward to a report on the proceeding. The Historical Society entry, made by Elmer Olson, received first prize for most unique car - we are proud of Elmer.

All in all a great event. Thanks to everyone for making it a success.
