Stone Soup

Once upon a time... there was a great famine in which people hoarded whatever food they could find, hiding it even from their friends and neighbors. One day, a kindly looking stranger came into a village and began asking questions as if he planned to stay for the night.

"There's not a bite to eat in the whole province," he was told. "Better keep moving on."

"Oh, I have everything I need," he said. "In fact, I was thinking of making some stone soup to share with all of you." He pulled an iron cauldron from his wagon, filled it with water, and built a fire under it. Then, with great ceremony, he drew an ordinary-looking stone from a velvet bag and dropped it into the water.

By now, hearing the rumor of food, most of the villagers had come to the square or watched from their windows.

As the stranger sniffed the "broth" and licked his lips in anticipation, hunger began to overcome their skepticism.

Ahh," the stranger said to himself rather loudly, "I do like a tasty stone soup. Of course, stone soup with cabbage — that's hard to beat."

Soon a villager approached hesitantly, holding a cabbage he'd retrieved from its hiding place and added it to the pot.

"Wonderful" cried the stranger. "You know, I once had stone soup with cabbage and a bit of salt beef as well, and it was fit for a king."

The village butcher managed to find some salt beef . . . and so it went, through potatoes, onions, carrots, mushrooms, and so on, until there was indeed a delicious meal for

The Moral of the Story is:

By working together, with everyone contributing what they can, a greater good is achieved.

The Multi-use Facility is a community project that is funded mainly by grants and donations of both money and labour. This project is an perfect example of community cooperation, but, just like the story, we need to "beef " up the soup!

Progress is being made. The electrical and mechanical work is being done and the project is nearing the framing stage, but we need more "ingredients"! Please donate, get your neighbor to donate, get the whole town to donate! Organize a fundraiser, or help out with one already planned.

The sooner we get this building done, the sooner we can all enjoy it!
