It is a trait common to us as people that we complain far more than we appreciate. It's our natural bent....we think more about ourselves rather than what others do for us. We want to try something new to shake us out of that attitude for an evening. What if there was a special community supper where the only tickets you could buy *were for other people*? What if there was a special supper built entirely around *showing other people you care and appreciate them*?

A Huge Thankyou from the Multiuse Committee!

On April 7, 2019, The Step Out Linedancers, held a talent show called Music to your Ears. The proceeds from this event went to the Multiuse Facility to continue with fundraising goals. The talent show was very successful raising approximately \$4300.00.

These type of events are exactly what our Community needs to bring this project to completion. A special thanks go out to Maxine Cromartie, Shirley Lowe, and Grace Penner, who took on the task of organizing the event. A function of this size takes months to put together so these efforts are very much appreciated. Additionally, we would like to thank Marilyn Barth, Val Quayle, Sandra Barber, Lorisa Ganes, Marv Penner and Jim Bannman who helped make the event such a success!

The talents of Birch Hills put on amazing performances including singing, acting, dancing, and instrumental pieces! There was a great turnout of performers, which is a huge comment on the talents and abilities that our Community has! You helped make this event the success it was, so thankyou from everyone!

And thank you to Shirley Ulvild who made the first donation of \$1000 in our race to 100. Since Shirley made her donation, we have had additional donations in that amount, so we are on the way!

The amount raised from this event, will help with the next stage of the project, being the mechanical phase. This includes plumbing and heating items. The drywall is installed, allowing you to see how spacious the facility will be.

On June 1/19, we will be having an open house during the day, and a street dance in the evening. Please stop by and speak with Committee members who will be in attendance to take you for a tour, and answer any questions you may have about the project!

Again, we can't thankyou enough for everyone's efforts in working to make this project a success and bring it to completion. The Multiuse Facility will be a great addition to the Community and its user groups for many years to come!

Multiuse Facility News!

We are progressing very nicely on the project! The walls are complete, the electrical wiring is in, and we are ready for dry-wall to be installed and completed in the next few weeks. In addition, the rear entry doors are also installed and some exterior lighting has been completed.

On June 1st the Multiuse Committee is planning an open house with food and beverages. This is the Community Garage Sale day so we hope to have a great turnout. Please stop by and walkthrough the building. You will be pleasantly surprised at how big the space is, and how it was utilized!

Carrying on with the open house event, we will be holding a street dance in front of the facility. There is a live band, FLASH-BACK, playing hits from the 60's, 70's, and 80's. There will also be delicious food, and drinks. This is going to be a fun filled day so we encourage everyone to come out and enjoy the day!

We are looking for 4 sponsors to donate \$200 each to cover the cost of the band. If this is something that interests you, please contact the Town Office at 749-2232 or speak to any Multiuse Facility Board member. You, or your business, will be recognized the night of the event, in appreciation of your donation, and help in making the entire day a success.

THE RACE TO 100

As part of our fundraising efforts, and final drive to complete the project, we have implemented a donation program. We are asking 100 people from our, and surrounding communities, to donate \$1000 each. It will also include an option of MasterCard or Visa, or 4 payments of \$250, if that is something contributors would like to do. In doing so, there will be an area set aside in the facility, recognizing *The 100*, for their contribution to the project. Feel free to contact the Town Office at 749-2232. Additionally, we appreciate all contributions to the project that members of the Community have made over the past few years, and we intend to proudly display, and recognize, all donations, at the completion of the facility. We are very proud of this project, and what it will do for the community! We thank everyone in Birch Hills and surrounding areas for their past and future support!
