

Town of Birch Hills

Discontinue Water and Sewer Charges
for residents away from home

The Town of Birch Hills passed a policy that effective May 1st, 2012, the Town will no longer discontinue water and sewer charges to residents that are away from their home for any period of time. The Town of Birch Hills will be required to bill out the minimum monthly billing.

However, if the homeowner is going to be gone for a length of time, there is the option of shutting off water services at the curb valve and reconnecting the services upon their return. The charge for the reconnection is \$100.00.

POLICY EFFECTIVE MAY 1, 2012
