The Brewers won the first game in Marysburg 10-7 then won game 2 in Birch Hills 11-10. Similar to last year the Tyler Tilford hit the game winning homerun in the 6th inning. The team would like to thank all the fans that supported them at home and on the road as well the volunteers that helped out all year making the season a success, The Brewers season is far from over as the head to Macklin for Provincials August 5-7.

August Heartbeat Sponsored by:

The Birch Hills Ladies Golf club is honoured to sponsor the August newsletter.

Covid, relocations and other events, however, have had an effect on our little club. We have been whittled down to only a few active members.

In order to try to attract more members, we revived our evening ladies golf on Monday nights. We got approval from the golf board to offer 1/2 price rates, feeling that the ladies might already be paying for a babysitter to come golfing, and we wanted to attract as many ladies/girls as we could. We are pleased that this evening has attracted quite a few golfers now...generally starting out slower in the spring when kids are still in extra curricular sports and moms are still having to attend to this; but picking up in July with more golfing ladies coming out.

We are grateful the the clubhouse has taken over the organization of this evening of golf, as with the reduced membership in our club, it just wouldn't have been possible. Thank you to Jamie and her staff for taking this on for us. Perhaps this will be the start of a new club with new members and new energy! And if any of the current evening golfing ladies are interested in joining the current ladies club - well you would be more than welcome!

We continue to golf Tuesday's at 9:30 am (9:24 under COVID) and new golfers are always welcome.

*** Note for the next edition of the Heartbeat. Please have all Heartbeat items in before August 14th any items sent in that day may not get included.**

Connie's Pick:

The Shoemaker's Wife by Adriana Trigiani

In the Italian Alps at the turn of the 20th century, two young people, Ezra and Ciro, meet and fall in love.

Events set in motion banished Ciro to America in Little Italy, New York City. He is unable to explain circumstances to Ezra before he leaves. Shortly after, Ezra also finds herself and her father in America as well, as their family go through their own crisis. Unbeknownst to each other, the two young people both build fledgling lives in America.

The story follows the two lives until they meet again as Cero is to serve in WWI. After the war, he comes back to find Ezra and they marry and build a life together while continuing to be in contact with both families back in Italy.

This historical epic of love and family, war and loss and family ties through two generations is a good read.
